Tork Hand Sanitizing Alcohol-Free Foam

Tork alcohol-free foam sanitizer with lactic acid is the perfect choice for waterless hand hygiene when alcohol is not an alternative. The product is easy to transport and to handle as it does not carry warning symbols. The formula contains 100% plant-based active ingredient. The formula is 100% biodegradable. Suitable for all Tork Skincare Dispensers (S4).

- 100 % plant-based active ingredient and 100 % biodegradable
- Dermatologically tested
- No transport restrictions. Non-flammable. Not classified as a hazardous substance according to CLP regulation, not classified as dangerous good.
- Reduce time for cleaning staff: Certified effortless refilling * in less than 10 sec **
- Helps secure good hand hygiene: Factory-sealed bottle with a new pump for every refill helps reduce risk of contamination and protect the formulations all the way to the hands.
- Reduce waste: Bottle is collapsible, leading to 70% less waste volume***
- Use biocides safely. Always read the label and product information before use.

Tork Hand Sanitizing Alcohol-Free Foam

Technical data

Ingredients	Active Ingredient: Lactic Acid 1,75g/100g. Other Ingredients: Aqua, Alkyl ether carboxylate, Alkylpolyglycosides, Sodium lactate, Glycerin
pH	2,7
Method Of Use	Ensure hands are clean and dry before use. For general hygiene: Apply 1-2 doses (entire hand should be wetted) and rub well until dry. For disinfection according to EN1500: Apply 3 ml on your hands. Rub for at least 30 seconds. Do not rinse.
Shelf Life	Expiration date of 30 months after production is printed on inner packaging. Store in original container. Protect product from excessive sunlight. Avoid temperature extremes and store between 5°C and 40°C.
Handling Instructions	Use disinfectants safely. Always read the label and product information before use. Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. For more information, please refer to the Safety Data Sheet. May discolour certain fabrics or surfaces.
Regulatory Compliance	The biocide products commercialised under the Tork brand are in compliance with the Biocidal Product Regulation (EU) No 528/2012 and are approved for human hygiene purposes. The products are registered and authorised in the respective countries, where the products are sold. The products are in conformity with the REACH regulation (EC) No. 1907/2006 and its amendments. The biocide products are manufactured in accordance with good manufacturing practices (GMPs).
Registrations Biocides	EU-0025394-0000
Certification	ISO 22716 (Good Manufacturing Practice) ISO 9001 & 13485 (Quality Management System) ISO 14001 (Environmental Management System)
Safety Data Sheet	For safe use and handling of the products, please follow the recommendations on the Safety Data Sheets. These are available on the Tork website in all required local versions according to legal requirements for each region
